Since the tournament's inception, thousands of dollars in scholarships have been awarded to worthy metal casting students annually. This is due to the generosity and cooperation of foundries, suppliers, and their employees.

Meeting Sponsor

- I am interested in sponsoring a meeting when AFS TC resumes monthly In-person gatherings. Meeting Sponsorship is approximately \$250 for appetizers or afternoon refreshments at the March in-house seminar. I would like to be notified of Meeting Sponsorship opportunities when they resume (no charge now).
